May Be Blown Up by Spanish Emissaries.

EXCITING NEWS RECEIVED THERE. Trades Union Congress of Great Britain

A Letter Brings Information That There Is a Move In Cuba to Destroy That American Town-People Are Worked Up Over the Matter and Vigilance Committees Will Be Formed.

KEY WEST, Sept. 7 .- A letter was received from Havana last night by the steamer Mascotte containing the information that the Spanish authorities are plotting to destroy Key West. A ago, but at that time it was not gener-

to the government office at Havana and was informed by a friend employed there that the Spanish authorities "had determined to burn Key West and annihilate that nest of insurgents."

The plan of the Spaniards is to send

ler is cognizant of the plan and approves It is said that in case of the success of the plot Weyler has ordered that the emissaries be paid \$10,000.

The people here are so wrought up on Senor Cruz, the Spanish consul, and limited to eight hours per day in all his assistant, Senor Fernandez. It was trades and occupations. ported today that those gentlemen, becoming alarmed for their safety, had gone aboard the United States warship Winons and demanded protection, and that they were told to remain on the vessel until the excitement died out. The citizens have determined to form

a vigilance committee, and every person who cannot give a good account of himself will be forced to leave the city,

MORE TROOPS FOR CUBA. Spanish Authorities Will Send Ten Thou-

eand a Munth to the Island. NEW YORK, Sept. 7 .- The news that of the Glasgow lin , the Lord Clive and and other points to Texas points will be termoon. the Gough, late of the American line, heard, the Montevideo of the Spanish transatlantic line, and the Colon of the Pacific mail line. It is said that by these transported the Spanish government intends to land 10,000 men a mouth in Cubs. Only one of these vessels, the Montevideo, sails under the Spanish

flag. Mr. Pierra said: know that the Cubans would think ing under a foreign flag and that we hotel went to their room and found carry all their troops to Cuba, and other. would be glad of the opportunity of making the money. Then Spain is very see Went to the Encampment at St. intimate with the transportation company and their vessels ought certainly to receive the preference.

they recover, will never be worth any- tressed. thing to themselves or any one else, but we have an idea of the snormons number by the fact that they cannot find buildings enough in Havana and other large cities in which to house them. Even the building of the house of charities in Havana, which was occupied by about 300 little girls, has been transformed into a military hospital and the little children scattered all over the city, and every other establishment of that character has been treated in the same manner. The number of sick and wounded Spaniards is something encr-

CUBAN TOWN IN RUINS.

Destroyed as a Starter to Keep Spanteh Troops Sent Out of Cuba Naw York, Sept., 7 .- The Herald this morning publishes the following special correspondence from Palmaritt,

Cuba, under date of Aug. 30: "Coscorro is in ruins and another step has been taken toward the ultimate expulsion of Spanish troops from Oaba. The intentes of Concern are now in a pretty bad way, no food of

any kind being silowed to enter the place. Coscorro is a small place, but important from the fact that it was a relay station for troops marching be-Guayamas."

IN SESSION AT EDINBURGH. Meets There.

EDINBURGH, Sept. 7 .- |Copyright, 1896, by the Associated Press. |-The hear Mr. Watson. He spoke at the Twenty-ninth annual Trades union con- grand stand at the racetrack to about sions here today with 260 delegates in attendance. The congress will close Saturday. No person can be a delegate unless he is actually working at his trade at the time of his appointment. Thirty more trades unions are similar report reached here several days represented this year than last, 20 of which have never been represented before. There are two American dels-The letter was written by a Cuban in gates. The parliamentary committee Havana to a friend in this city. The has prepared a programme embodied in writer says that a few days ago he went | 11 resolutions and trades unions have sent up 81 resolutions for discussion. The te-par of the congress can be guaged by resolution of the papermillworkers that no representative of the press shall be allowed to report the proceedings unless he can prove that the journal he represents is "printed by emissaries to Key West in the guise of trades union labor, and on paper manu-Cuban sympathisers, who are to fire factured in the united kingdom."
